

COVID – 19 Screening Regulations

Actions to be taken to prevent the spreading of Covid

Take [everyday preventive actions](#) to help prevent the spread of respiratory illnesses, such as COVID-19. This includes:

- **Cleaning your hands often.**
- **Avoiding close contact** with people who are sick.
- Staying home when you are sick.
- Covering coughs and sneezes with a tissue or the inside of your elbow.
- Cleaning and disinfecting frequently touched surfaces.
- Using a mask in public, especially when it may be difficult to maintain a distance of at least six feet from other people.
